Note: Members of the public who desire to address the board on items of interest or concern that do not appear on the agenda are invited to do so at this time. It would be most appreciated if you would limit your remarks to not more 3 minutes; to appoint a spokesperson if the concern is a group concern, and to supplement verbal presentations with written reports, if necessary or desired. We ask that you remember that South Dakota law prohibits us from discussing specific employees, their job performance, or students. If you have thoughts to share about items that are included as topics for tonight's meeting, we would invite those comments when we reach that point in the meeting.
