Policies and Regulations

Code: J- Students

JECBD-Accepting Credits Obtained Outside the Regular School Term

Pursuant to § 13-26-2, The Dell Rapids Public School shall accept transfer credits earned by a student, taken by the student from another school accredited by the Department of Education, outside the regular school term.

The following criteria will be followed:

- The student shall obtain the building principal's approval of the course prior to enrolling in the course.
- The course must be taken from a South Dakota state accredited institution or the state approved Virtual High School.
- Excluding high school transfer credit, coursework taken at another educational institution may not be applied toward early graduation.
- The principal shall determine the amount of credit awarded for successful completion of the course after a review of the curriculum.
- The student is responsible for all costs involved with attendance at the post-secondary institutions and the South Dakota Virtual High School.
- Unless otherwise approved by the principal, students are required to take the course offerings during the grade level designated.
