

Dear Dell Rapids Parents:

The summer of 2017 is just about over!

The start of school is only a few short days away and anticipation is running high. The doors will open August 24, 2017, with our first day of classes. This is a new beginning for all of us.

Once again the school board has given approval for in-town bus service. Included with this letter are two very important documents. The first one is the guidelines for in-town busing. Please read these guidelines carefully, especially if you are going to be utilizing this transportation service. The second document is the application for in-town busing. Please fill out the application completely and return it, with your check for transportation fees, to the business office. (A prompt reply is necessary).

The in-town pick up and drop off points will be located at and will start at (approximately) 7:55 AM. Pick up times are subject to change. Please check the school website for the most updated information:
