### Scholarship Tips:

1. Applications should be typed!!
2. If necessary, scan in the application and type it.
3. Ask for references in advance...usually one to two weeks. Provide reference person with a copy of the scholarship application along with information about yourself – could be a copy of your resume from SD MyLife.
4. Keep a copy of all scholarship applications you complete...could use parts (essays) later for another scholarship application.
5. Proofread for grammatical and spelling errors... have someone else proofread your applications and essays.
