APPLICATION FOR APPOINTMENT TO SCHOOL BOARD

The school board is an elected body created according to the laws of the state of South Dakota to serve as the governing board of the school district for the purpose of organizing, maintaining, and locating schools and for providing educational opportunities and services for all citizens residing within the school district.

The Dell Rapids school board is composed of five members elected to three-year terms. It is preferable that positions are filled by persons circulating petitions and receiving a majority of votes at public election. However, when a there is an insufficient number of candidates, or when a resignation occurs, remaining school board members must fill the vacancy through appointment. Appointed members must be residents of the school district and will assume duties at the next meeting following their appointment. Appointed members serve until the next succeeding election, at which time a successor is to be elected to serve the unexpired term.
